Dear Parent/Guardian

**MacDiarmid's Brownsbank SCIO -
Website Poetry Boards**

As the charity committed to conserving the cottage in which Hugh MacDiarmid lived at the end of his life and to encouraging interest in literature and creative writing in the community we are delighted to be using our website poetry boards, [www.macdiarmidsbrownsbank.org.uk], to display writing by Scottish secondary school students.

We are particularly pleased to be working in partnership with [name of school] on this and are looking forward to displaying work from year group [name of year group] in [timescale]. We will select a number of poems for display from those submitted by the school.

We hope that you will consent to your child's work, first name, school and school year, being displayed on the website boards should it be selected. We regret that without your express permission it will not be possible for us to do this so please complete and return the attached permission slip to [name of school] by [deadline]. If you have any queries please do not hesitate to ring me on 01899 220420.

Thank you.
Yours sincerely
